Decorate a headband, ponytail holder, note card, pincushion, or present with fun and easy-to-make Spring Violets.

MATERIALS LIST

- Heather Bailey designer felt for flowers: Orchid, Mulberry & French Lavender
- Heather Bailey designer felt for leaves: Mustard Relish & Spring Leaf
- Embroidery floss for flower centers
- Polyester stuffing (small quantity)
- Thread

INSTRUCTIONS

A. Make Flower Base - Cut 1 Flower Base from flower-colored felt. With hand-sewing needle & thread, stitch around perimeter, 1/8" from cut edge. Pull thread to gather Flower Base into a dome shape. Stuff with polyester stuffing. Secure & trim thread. Stuffing will be visible at bottom of domed Base.

B. Attach Flowers to Base - Cut out several felt Flowers; sample has 14. Fold each Flower in half & stitch at center back of Flower. Fold in half again & repeat stitching to cup Flower forward. Attach Flowers to Base by sewing one french knot at center of each.

C. Attach Flowers to Leaves - Cut out Top Leaves and Bottom Leaves from two different colors of felt. Stack Leaves together & stitch Flowers at center, securing all layers. Attach finished design to a pin, headband, note card, pincushion, present, etc.

NOTE: Flower pin at left does not have Bottom Leaves.

ENJOY!
